Retail Merchandising

Merchandising is an extremely powerful tool to capture customer attention and influence buying decisions. This course will open up an understanding of the breadth and scope of Visual Merchandising in today's world of retailing. It aims to assist the store to meet their objectives by increasing the average sale per customer. This course provides an overview of the many aspects of visual merchandising impacting on today's traders and retailers.

Recommended participants: Team members, 2IC, Store Managers
